**Art Party 20: THE ESSENTIAL ART EXPERIENCE**, is an evening of fine art in Detroit. Proceeds from this annual fundraiser, held by the National Conference of Artists (NCA), Board of Directors, supports NCA Michigan's professional and youth artists' programs: exhibitions, gallery talks, tours, summer art classes, workshops and mini art conferences for high school and middle school students in NCA's Student Summer Art Program. The evening includes live music by the Pathe' Jassi Ensemble, 'Portrait Sitting' for guests and a festive 'Live Auction' that culminates to a close with the auctioning of the evening's commemorative work of art - created during the evening in the 'Artists' Studio' by participating member artists.
